I will declare thy name unto my brethren: in the midst of the congregation will I praise thee. Psalm 22:22

Dear Team,

What can we say? What can we do? God is great and He is faithful! For the past five years, we have been sending back reports of what we are personally seeing God do here in Austria, and this month has been so exciting. First of all, thank you for praying for us. Don't stop now!

Hi Robert and Monika! I was shocked to see Danny at the conference, and for a moment I was wondering if he'd come against his own will, but then he started sharing about his recent surrender to God. My heart was rejoicing!!! What a huge answer to prayer right before my eyes in Danny's life! Jeni Nelson (missionary France)

Hungarian Dancers at Stephansplatz

As reported last month, Danny has returned to his FIRST LOVE, and God has honored him in the most spectacular ways. He is a living billboard for Jesus. Everybody who sees Danny knows that Jesus is very much alive. He is reaching a very needy and badly neglected part of Austrian society.... the youth of Vienna. It seems as though everyone is responding to Danny's unique presentation of the Gospel. If you have ever been to Vienna's first district, you have probably seen the famous Hungarian break dancers at Stephansplatz. Danny has been witnessing to them and has recruited them to perform at another Skate Outreach in Seeboden on September 10, 11, & 12. Imagine, a group of guys who aren't Christians drawing a crowd of young people so they can hear about Jesus. Sounds like something only God could do! Each Wednesday a group of 20 - 40 young people gather at Starbucks for an evening of Bible study and fun. Yes, they are having fun! The group has plans to multiply the fellowship into other Starbucks around the city.
