SPECIAL EDITION

HAPPY 25th BIRTHDAY DANNY!

All or nothing is how God wired him.
No nonsense - no frills - he is unique.
We all simply know him as DANNY.
Tailor made for Austria.
Everyone loves Danny!

- **Egypt Outreach 2005**
- **Austrian Skate Outreaches 2006/2007/2009**
- **2 Weekly SBUX Fellowship Studies**
- **COMING: SKATE OUTREACH 2010**

Four years ago, Danny met some young people, who attended the first **YOUTH-4-YOUTH SKATE OUTREACH**, that were moving to Vienna to start their University studies. They asked Danny if he would start a Bible study, and that was the beginning of the **SBUX FELLOWSHIP**. Those students are now going back with Danny to serve at this year's **OUTREACH** in September. It is beautiful to see what God has done in the lives of these young people.

God continues using Danny in some incredible ways. He works for Starbucks at the Vienna airport and meets new people everyday. I mean, come on, it's Starbucks coffee; that has got to be the best open door in the world for meeting people! He has gotten to know business travelers, the Vienna Football (soccer) Team, other Missionaries, Pastors and some just plain-troubled travelers. Danny

shares and prays for them as the Holy Spirit leads. The other day Danny met two guys at the train station who ask him how to get to the airport. He used that simple question to help them in ways they never dreamed. They had come from Jerusalem to run in Vienna's Marathon. Having read a prophecy about Jerusalem that very morning, Danny began sharing it with them. They were amazed by the scriptures, and Danny was able to share the Gospel as well. Later that day, they came to Starbucks and thanked Danny for sharing the truth with them.

Danny loves serving the LORD and desires for EVERYONE to be saved. He is praying to start a new believer's group at a third SBUX location.

**And how can they hear about HIM unless someone tells them?
