bread of life bible fellowship

for Jesus

Dear TEAM,

Pre-marriage classes, attended a wedding, counseling, graphics project, English classes, & car shopping... never mind the jet-lag, we're back up and running!

Don't you love God's way of proving Himself to us? We had been saving for over a year to pay for "roof bill." When we took our car in to have it inspected and learned it needed some "substantial" repairs, Monika and I concluded that the old Ford was going to be put out to pasture. That very day I happened to be searching a website for used furniture and came across a car for sale... a cheap car. We made the two hour drive, took the young lady to coffee, told her my best jokes, and bought the car. Now we are back to praying and trusting God for the "roof over our heads."

God loves creating spectacular stories for us to experience and others to see!

No it's not a police line up; it's our Biblical Counseling Class. They are the first graduates of the "People Helpers." It had been on my heart for over a year to equip people to help others through Biblical Counseling. Dina, pictured above, works at Starbucks, had seen me counseling at her store, and contacted me before I went to America about teaching a counseling class. Being one of my favorite subjects, I jumped at the opportunity. It was a fun and active class with many of my favorite Bible counseling stories. Already God is using this little team to bring people the "abundant life" that is found only in Jesus.

Monika's prayer friend

We recently ran into **Graci** at a wedding. She is from Bulgaria; met her six years ago in Vienna... she now lives in Spain. She was a struggling girl in a difficult situation and Monika often prayed with her. She excitedly told us of her joy in the LORD.
