PETER SAW HIS OPPORTUNITY -Acts 3:12

Dear TEAM,

Our Bible study group finished the Gospel of John and started the book of ACTS. God has always been working but many cannot see it, because they haven't a clue what God is up to these days. It was true when the author of life was nailed to a cross, when religious leaders persecuted Jesus' followers, and it is true today. God is calling people to change direction and return to Him. It seems as though the whole world has united behind a global movement to reject the Savior of the world.

"Peter saw his opportunity... and spoke." Reading about the boldness of the early believers has inspired our Bible study group to speak out as God presents opportunities. We are trusting the Holy Spirit to do all the important work... like changing lives. While in America, I met a young Muslim girl that was all ears when I explained the difference between her God and Jesus. It was made clear to her that Jesus is God's only provision for the wrong she had done and the only way to heaven. Another opportunity was with Monika's relative. Originally coming for English

lessons, the Holy Spirit opened a door to talk about our faith in Christ. Our conversation flowed both easily and quite naturally; she listened closely to a new and heavenly perspective about life. The Bible study group is anticipating many more opportunities of sharing our faith with people needing help.

California

My trip to California was fast and furious. There was no surfing... just a few walks along the beach. However, the fellowship was just as refreshing and invigorating as surfing. Most evenings I caught up with friends who were eager to share what God had been doing in their lives. They were gracious enough to listen to my stories about Austria. I attended several churches, that were new to me and a few old familiar ones as well.

I wish to thank everyone who prayed for the Bread of Life Bible Fellowship Board meeting. It was the primary reason for me coming to San Diego. God has provided some new Team members that will make sure the ministry to Austria continues in the future. They are excited to be serving with us.

Carol Treaway - Secretary

Carol formerly served as an Administrator at Horizon Christian Fellowship. Carol, Monika, and I started the journey with Christ together and have enjoyed serving Him together through the years.

Barkley Brown - New Board Member

Barkley has been a dear friend and faithfully serving the Lord for many years. He also has a heart for Missions. His wisdom and counsel are welcomed additions.

Brian Keegan - Treasurer

Brian has been faithfully serving with BOLBF as Treasurer from the beginning and will continue in his position. Brian is a man who loves God and people.

David Berg - Bookkeeper

David has a Business degree from Point Loma Nazareen College and is eager to serve with BOLBF. David, our son-in-law, and Anne have recently moved to Portland, Oregon and are growing and serving in a great church.

Change at BOLBF
