for Jesus

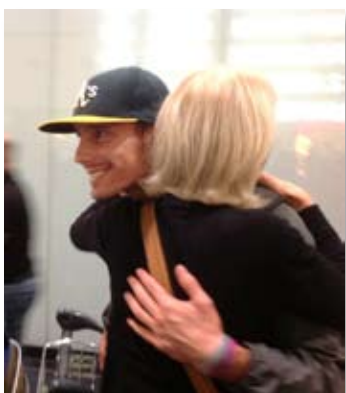

Let God transform you into a new person...

- Romans 12:2

Dear TEAM,

The record hot, dry, Summer of 2013 is over. All of the crops have been harvested, vacations are over and Fall is in the air. Change is necessary and good for all of us. After two and a half years of discipleship training in Fort Lauderdale and a lot of hard work, Danny has returned to Austria. The change God has made in his life

is simply amazing. One of the young ladies who caught up with him at Starbucks told us, "We can understand Danny, and he understands us." While there is no "beating around the bush" from him, he shares God's word with a tender and humble heart. Believing God has called him to Salzburg, he packed up a few of his belongings and caught the train to his new home. He is helping at a youth camp, will be serving at Calvary Chapel Salzburg, taking German classes at the University, and working to support himself.

Mother & Son

It was a big step for the young Romanian girl to be baptized that night without her parents being present. Culturally it is a big family celebration, but Manuela believed it necessary to immediately obey God.

Monika loves helping the young ladies grow in their faith and watch them become more confident in the Lord.

The Schwab Family

Celebrating 90 years of age,
65 years of marriage, &
the Berg's 1st year

David and Anne came back to Austria for the family celebration and a visit. Her grandfather and grandmother celebrated 65 years of marriage. The secret? They both honor and respect the LORD, and they are quite vocal about it as well. Having been forced to fight in the German army at an early age, wounded in combat, and sent to the Russian front, “Opa” believes God gave him another chance in life. Faith in Jesus has been his motivation throughout his 90 years and God’s love has governed his life. Opa has been faithful to his family and village.

Congratulations Herr Schwab!

David and Mary Berg came from California
for the family celebration.
